2012 WSOP World Rankings

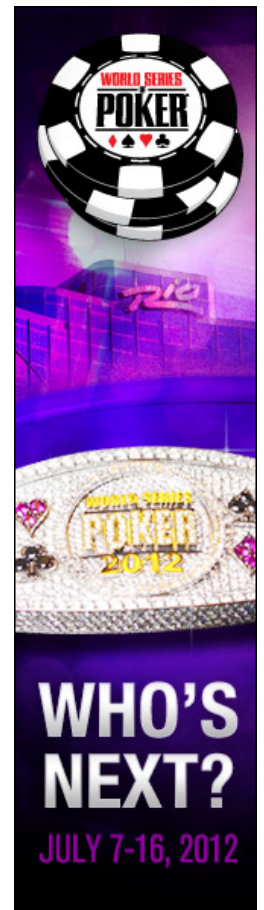

The WSOP World Ranking Standings are a cumulative measure of performance by country during the 2012 World Series of Poker. The country designated for each player is based on the country declared during payout.

The World Series of Poker annually attracts the most entrants from the most different countries around the world to Las Vegas each summer to compete for poker's biggest prizes. In 2010, 117 countries participated in the WSOP – more than the 82 that were at the 2010 Winter Olympics.

So the below rankings, are a running tally of how each individual country is performing at the 2012 World Series of Poker. You can sort this data by bracelets, money won or cashes.
